YMCA Program:

The YMCA runs a before and after school program for all students in grades K-8. In order for your child to participate, you must register with the YMCA by calling 815-433-2395

School Safety Drills:

Each fall we participate in a variety of state-mandate safety drills.

In September, we will conduct

a bus evacuation drill, a tornado (severe weather and shelter-in-place) drill and a fire drill.

During October, the local fire department will assist in another fire drill.

These are great ways to help educate our students on our school safety plans.
