**MESSAGE FROM THE NURSE:**

We are in the middle of “Flu” season (stomach & respiratory) so we need to be aware that we are taking the right precautions. Here are a few ways to prevent you or family members from getting sick:

**Handwashing** is the single most important way to prevent the spread of infection. Hands should be washed before you eat, after you go to the restroom, after you cough or sneeze, and it is also a good idea to wash your hands when you come home from work or school.

**Stay home from work or school** if you have a fever over 100.5 (without the use of a fever reducer), if you have a contagious disease such as strep throat, vomiting, or diarrhea, or if you are feeling not well overall.

**• SPORT FEES**

-\$25 Transportation fee.

(One time fee per year for extra-curricular transportation.)

-\$50 Sports fee.

-Both fees are due prior to receiving a uniform.
