Wallace Grade School is once again participating in the Raging Waves' "Plunge into Fitness" program. Students in K-8 have been given a fitness log. Each space along the path accounts for 30 minutes of physical activity. When your student completes 30 minutes of physical activity, color in a space. Feel free to join your student during that 30 minutes of exercise and make it a family activity! Once the whole path is filled in, return the log to Mr. Allen and your student will receive a free pass to the water park! **Logs are due by April 11th.**
