MESSAGE FROM THE NURSE:

We are in the middle of "Flu" season (stomach & respiratory) so we need to be aware that we are taking the right precautions. Here are a few ways to prevent you or family members from getting sick:

Handwashing is the single most important way to prevent the spread of infection. Hands should be washed before you eat, after you go to the restroom, after you cough or sneeze, and it is also a good idea to wash your hands when you come home from work or school.

Stay home from work or school if you have a fever over 100.5 (without the use of a fever reducer), if you have a contagious disease such as strep throat, vomiting, or diarrhea, or if you are feeling not well overall.

If you have any questions on whether to send your child to school, please feel free to call me. Stay healthy, Shannon Matteson.

2018-2019 Wallace Preschool Registration:

Wallace Preschool registration is open to ALL families. Please contact the school at 815-433-2986 to register your child!

CONGRATULATIONS!
Layne Krug
Spelling Bee Winner

School Cancellations: We will be utilizing our AlertNow phone notification system. Our system will only call phone numbers that we have listed for you. It is important that you contact the office for any changes in phone contacts.
