Wallace Grade School would like to help area students that were affected by the tornado on February 28th. Below you will find a few ways that you and your child(ren) can help Wallace provide some relief to area students.

The Wallace Student Council will be sponsoring a dress up week. Each day next week they will have a theme that you can choose to participate with.

Student Council is collecting donations throughout the week. Students can donate a \$1 for each day they participate or make a one-time donation for the week. With or without a donation, all students are welcome to participate as we think about and help those close to us that were affected. The themes are:

Monday, March 13 - Pajama Day
Tuesday, March 14 - Black and White Day
Wednesday, March 15 - Sports Day
Thursday, March 16 - Disney/Movie Character Day
Friday, March 17 - Green Day (Saint Patrick's Day)

All money raised from student dress up week will be used to help students that had homes or property damaged by the tornado. Remember, all school rules apply when planning what to wear each day. No hair dye or face painting will be allowed. Thank you for your donations and participation.
~Wallace Student Council

The Wallace Staff will be donating items for raffle baskets to the Tornado Victims Benefit hosted by Ottawa Naplate Tornado Relief at the Knights of Columbus on Sunday, March 19th. If you would like to make a donation towards the raffle baskets, you can send in a monetary donation to your child's classroom teacher by Friday March 17th. We'd like to thank Parent's Club for organizing the baskets that will be donated to the event on the 19th.

We appreciate everyone's support as we offer assistance to local students.

A note from Mr. Allen:

Wallace Grade School is once again participating in Raging Waves "Plunge into Fitness" program. Students in K-8 have been given a fitness log. Each space along the path accounts for 30 minutes of physical activity. When your student completes 30 minutes of physical activity, color in a space. Feel free to join your student during that 30 minutes of exercise and make it a family activity! Once the whole path is filled in, return the log to Mr. Allen and your student will receive a free pass to the water park! Logs are due by April 10th.
