**Walk for Diabetes:**

Monday, March 7 marked the beginning of Wallace's School Walk for Diabetes Awareness Campaign. We are excited to be helping raise awareness through the American Diabetes Association's (ADA) School Walk for Diabetes program. During the next four weeks, we ask that you take the time to not only raise a few dollars for the ADA, but to talk to your children and families about the benefits of living a healthy lifestyle. Living a healthy lifestyle by exercising and eating right can help prevent many diseases, including type-2 diabetes.

The fundraising portion of the program will run from Mar. 7 to Apr. 7. Thank you for taking the time to talk with your children about the importance of living a healthy lifestyle! It is the best health insurance policy we can get!

---

Wallace Grade School is once again participating in the Raging Waves' "Plunge into Fitness" program. Students in K-8 have been given a fitness log. Each space along the path accounts for 30 minutes of physical activity. When your student completes 30 minutes of physical activity, color in a space. Feel free to join your student during that 30 minutes of exercise and make it a family activity! Once the whole path is filled in, return the log to Mr. Allen and your child will receive a free pass to the water park! Logs are due April 11th.
