**Tuesday Letters will go home on the 2nd and 4th Tuesday of each month.**

### Picture Day:

All students will have their pictures taken on Friday, October 2.

Order packets will be sent home after students have their picture taken. You are able to choose which pose you would like to order with this image printed order form. All students will have their pictures taken regardless of future ordering.

(All students pictures are printed in our yearbook that is made available to students at the end of the year.)

### Fire Prevention Week:

October 5-9, fire safety advocates will spread the word to their communities that, with a little extra caution, preventing the leading causes of home fires – cooking, heating, electrical and smoking-materials – is within their power. Visit [www.nfpa.org](http://www.nfpa.org) –the National Fire Protection Association to review safety tips. Information can be found under Learning and Public Education. We will conduct a school fire drill during fire prevention week.

### Midterms:

First quarter midterm ended and progress reports went home Friday, September 18. First Quarter ends on Friday, October 23. Report cards will be sent home on Tuesday, October 27, with parent-teacher conferences scheduled for Wednesday and Thursday, November 4 & 5. Please continue to encourage your child to do their best and to complete all work.

### Parent's Club:

Parents club will hold a meeting Wednesday September 23rd at 6:00 to discuss final plans for the fall Festival which is scheduled on Thursday, October 8 from 5:30—7:30.

Please look for the volunteer newsletter coming home this week. Please sign up for anything you're able to help with and send back promptly with your child.

**Next meeting will be Wednesday, September 23rd at 6:00.**

**Note from the School Nurse**

September is Head Lice  
Prevention Month.....

Now that we are back to school  
and in "close quarters", please  
remember to check your child's  
hair for nits and/or lice twice a week.  
Head lice can be spread whenever there is  
direct contact of the head or hair with an  
infested individual. Lice can also be spread  
through the sharing of personal articles like  
hats, towels, brushes, helmets, hair ties, etc.

Lice do not differentiate between a clean  
head or a dirty head although studies have  
shown that combing your hair daily is a good  
preventative way to detect the presence of nits  
(eggs) or live lice. --Mrs. Matteson

Thank you for your support of the Wallace  
Athletic Club's Spirit wear sale. If you did not  
get a chance to turn your order form in, we are  
accepting late orders through this week. If you  
have questions or need an order form, please  
contact Amber Bartlett:
